Uncle Won First Race. Uncle Won First Race.

The start of the opening race was Belayed fifteen minutes until Bolando, who threw his jockey and then ran away a mil., could be caught. Even after this Bolando ran a swell race, being a good third until well into the stretch, where Brussell eased him up: Uncle was a prohibitive favorite in the betting. He sed from start to finish, and was simply galloging at the end. Woodlane was second all the way, but right at the end was outgamed for the place money by Jubilee.

Hit the Ring Hard.

Pretension, the 4 to 5 favorite, kicked up an awful fuss at the post in the second race. He finally got off flying and was never caught. Right at the got on Tromp made a bold bid and made up some ground. Workmald bung on well and got the show end. Durnell scratched Jacobite in this race and E. Dugan had the mount of Pretension. Red River will finally yield. Fight critics say will finally yield. Fight critics say there is a chance for a \$35,000 purse for dropped a bundle on Roseben. "Blg Tim's" Horse Won

The law of averages got in its work again in the fifth race and another odds by favorite was knocked down. Single Stone. "Big Tim" Sullivan's two-year-old, took hold of Please at the head of the stretch, and in a long drive won by half a length, going away. Williams H. Lyon was third. Please was at 1 to 3, while plenty at 10 to 1 was on tap against Single Stone. The Sullivans, "Big" and "Little," saw the victory from a box, but neither as much as had a handelap for the winner.

Well-Pleased Exten Lost

Well-Played Easton Lost. Sailor Girl came with a great rush through the stretch in the sixth race and beat cut Easton, who was heavily played. Lad of Langdon, with Dugan up, was the favorite. He finished third. Miller rode Ecatarina, the Keene filly. He got away bad, but made up a lot of account.
